

Now offering... Nipple Tattooing!

Luminis Health Plastic Surgery

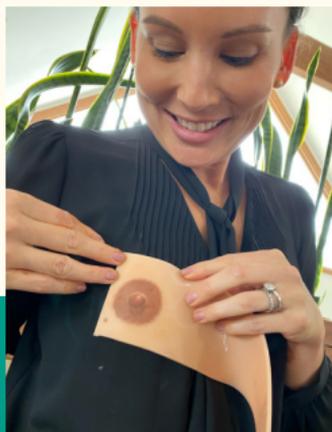

is proud to offer nipple areola complex tattooing in our Annapolis location, enhancing your reconstructive outcome.

What is it? Tattooing is a non-invasive method of creating a 3D appearing nipple areola complex after surgery.

How much is it? Our team submits prior-authorization to your insurance company to cover this procedure. Your out of pocket cost is nothing.

Who does it?

Virginia Orlov PA- C

(443) 481-3400

2000 Medical Parkway
