

Luminis Health Anne Arundel Medical Center Foundation

YEAR IN REVIEW

Your generosity strengthens the mission of Luminis Health Anne Arundel Medical Center (LHAAMC). Because of you, patients and their families receive compassion, expertise, and support when they need it most close to home.

This Year in Review offers a glimpse of the impact you made possible.

We are grateful for all you do.

2025

By The Numbers

2,000 SURVIVORS — Received counseling, navigation, and wellness resources through the Cancer Survivorship Program at the Geaton and JoAnn DeCesaris Cancer Institute, thanks to supporters of Fish For A Cure (F4AC). The 2025 F4AC Tournament, Paul C. Dettor Captain's Challenge, and Shore Party raised a record-breaking \$1.2 million.

3 MAJOR MILESTONES — Reflected decades of trusted care for mothers, babies, and families. The Rebecca M. Clatanoff Pavilion marked 30 years of new beginnings, Teddy's Place, LHAAMC's Level III NICU, reached 20 years of caring for more than 500 vulnerable newborns each year, and The Tom and Nancy Frank Family Birth Center celebrated 10 years of family-centered birth experiences.

50,000 HOURS — Were given by more than 550 volunteers across LHAAMC. Their time, compassion, and steady presence brought comfort and connection to patients, families, and team members every day.

500 PATIENTS — Received compassionate, timely care through Maryland's first geriatric Emergency Department (ED) teleconsult program at LHAAMC. Quick specialist support in our ED reduced hospital stays by 35 percent, helping older adults heal safely at home.

12,000 BADGE SWIPES — Have found a quiet, restorative space in our Employee Wellbeing Lounge, made possible through donor generosity. This dedicated room helps caregivers regroup and renew their energy during their most challenging days.

750 HEARTS — Have been repaired since LHAAMC launched its cardiac surgery program, which now includes innovative approaches like cryo nerve block therapy to help eliminate pain and improve outcomes.

87 RESIDENTS — Are currently training at LHAAMC, helping prepare the next generation of physicians who will care for our community close to home.

2,000 CHILDREN AND TEENS — Receive pediatric mental health care at LHAAMC each year, and supporters of Denim & Diamonds help ensure these young patients experience compassionate support during their hardest moments. The 2025 Denim & Diamonds Bash raised \$1 million to strengthen pediatric mental health services at LHAAMC.

26 NURSES — Were supported through nursing scholarships you helped fund. Your generosity allowed new nurses to begin their journey and experienced caregivers to advance their training, strengthening compassionate care across our community.

\$84.7 MILLION — Was provided in community benefit by LHAAMC in 2025, funding charity care, subsidized programs, outreach, education, and research that support the health of our region.

Winners of the F4AC 2025 Legends League, Reel Counsel raised a total of \$217,413.

2025 Nursing Scholarship Reception

LHAAMC in the Spotlight

2025

- LHAAMC earned its **14th consecutive A Grade from Leapfrog**, a rare national patient safety milestone. We are one of only 18 hospitals in the country, and the only one in Maryland, to receive Straight A's since 2018.
- The LHAAMC **Emergency Department** received the **Maryland Stars of Life Executive Director's Award** for reducing EMS stretcher wait times by more than 50 percent in three years.
- **Becker's Hospital Review** named Luminis Health one of the **150 Top Places to Work in Healthcare** for 2025, citing a strong culture, meaningful benefits, and deep community commitment.
- **Forbes** named Luminis Health one of **America's Dream Employers 2025**, recognizing our supportive, mission-driven workplace.
- **Newsweek** named LHAAMC one of the **World's Best Hospitals 2025**, placing us among the top hospitals in the United States.
- **U.S. News & World Report** named LHAAMC one of the **Best Hospitals for Maternity Care 2025**, recognizing our excellence in obstetrics and newborn care.
- LHAAMC is one of only five health systems nationwide to receive the **Age-Friendly Health System Pioneer** designation from the **Institute for Healthcare Improvement**, recognizing leadership in enhancing care for older adults.
- For the third consecutive year, LHAAMC earned the **American College of Cardiology (ACC) National Cardiovascular Data Registry (NCDR) Chest Pain–Myocardial Infarction (MI) Registry Platinum Performance Achievement Award**. We are one of only 323 hospitals nationwide recognized for top-tier heart attack care.
- LHAAMC received **multiple American Heart Association awards** for excellence in STEMI, coronary artery disease, and stroke care.
- **Healthgrades** named LHAAMC among the best hospitals in the nation for orthopedic surgery and joint replacement, and **Becker's** recognized Luminis Health as one of the top 100 orthopedic programs.
- LHAAMC's respiratory care program received the **Apex Recognition Award** from the **American Association for Respiratory Care** for meeting the highest national standards.
- LHAAMC's Emergency Department earned **Level 3 Geriatric Emergency Department Accreditation**, one of only nine hospitals in Maryland to receive this honor and ranked second among them.

Because of you, this year was filled with moments that changed lives.

Every gift becomes part of a story. A story of people cared for, families supported, and lives made better.

Thank you for making this year extraordinary.
